

Save Ontario Shores Info Session

Update on Apex's Lighthouse Wind Project

Thursday, August 15 at 7 p.m

8400 Haight Road in Barker

(former Assembly of God Church)

What have we learned so far?

What is next for our communities?

Apex, within a week of relocating its Barker office, hired a new lobbyist for \$5000/month to look at zoning laws in the Towns of Yates and Somerset.

**DID YOU
KNOW?**

Apex has not withdrawn its project from the Article 10 process nor the NY interconnection queue.

Apex, in its Galloo Island project in eastern Lake Ontario, hired a helicopter that flew close to nesting eagles who appear to have subsequently abandoned their nest.
